

Safe Storage, Warehousing and Transportation Statement

ESC Packaging Limited is committed to supplying the highest quality packaging to clients in tandem with a high quality stock & ship storage and despatch service.

The warehouse and storage facilities are on site at Ferryhills Road, Inverkeithing, Fife, KY11 1HD.

Comprising of 2 concrete floored timber warehouses, clad with painted steel. Each with 2 access doors (for escape in the event of fire). Each has a chain operated roller shutter door. Electric lighting is throughout both units. Storage comprises of a mix of wall racking and free standing pallet space, off the floor.

In addition to the 2 warehouse units ESC also have 6 x 20 foot metal storage containers with multi lock doors. These sealed units are impenetrable and kept locked, only opened when clients request a despatch.

Both warehouses are monitored monthly under a Pest Control contract with Fife Pest Control.

The main warehouse (middle) building is covered with security cameras which are positioned on the neighbouring building.

The area around the warehouses is kept free of clutter and weeds.

There are 2 large recycling bins on site which are taken away weekly for recycling by Donibristle Recycling.

Only permitted employees with supplied PPE may enter the warehouses.
Only certified fork lift drivers may use the gas operated forklift.

Visitors are not permitted inside the warehouses or storage containers. This includes collecting couriers. Goods are made up daily for collection and are boxed or shrink wrapped onto sealed pallets, labelled and made ready for despatch. Goods are then loaded onto the collecting driver's vehicle.

Mrs Carri-Anne Walker
