# Distilleries

SPRINGBANK

## **Having reliable and high-quality packaging is essential for every distillery.**

We supply a diverse range of packaging to distilleries across the United Kingdom.

The distilleries have worked very closely with us to ensure we find the best packaging for their needs and to make sure the brand guidelines are followed.

All details are carefully considered, from the materials used to the ethical and moral sourcing methods.

## FSC BROWN KRAFT DELUXE BAG

- FSC sustainable paper
- Super strong 200-250gsm
- Reinforced handles & bases
- Printed with vegetable-based inks
- Constructed with water-based glue
- 100% recyclable

This product is tailor made to any size so it snugly fits the glass bottles & boxes inside. With the reinforced double thickness handles & base cards zero breakages are guaranteed. Lead time 6-8 weeks or 14-16 weeks

## UNDERSTATED ECO LUXURY AT IT'S BEST!

## PAPER LAMINATE BOTTLE BAGS

Our paper laminated bottle bags transform a simple bottle into a stunning gift, which also incorporates a turned over top and base plate for additional strength.

The colours are customized to reflect your brand guidelines.

The size of the bag is fully bespoke, from single bottle to 3 bottle bags, made to measure.

Why not add a matching gift tag?  
Or information leaflet?  
Or tasting notes?

Ribbon serves as an alternative to rope handles, offering both practicality and aesthetic appeal. Satin or grosgrain can be used as a handle or for closing the top securely and seamlessly.

## PAPER TWIST HANDLE BAGS

- Eco-Friendly FSC options
- Recyclable
- Water based inks
- Water based glue
- British & European made options
- Pantone or Full colour printing
- Standard sizes and gsm options
- Coloured handles to coordinate with design
- Separate base cards if needed can be made

We work with several manufacturers globally for this product. From the UK, Europe & the Far East.

Each factory has been carefully audited to the highest standards. Most have SEDEX accreditation or the equivalent which marries with our own ethical sourcing policies. All have FSC mixed or evidenced sustainable forestry paper sourcing.

As these bags are always made to order, the sizes, grades of paper, colours, handles, design and delivery timescale are personalised to each individual client's requirements.

Lead times start at 3 weeks to 14 weeks maximum.

## CORRUGATED BOXES

- Eco-Friendly FSC options
  - Recyclable
- Vegetable based inks
- British made options
- A wide variety of corrugated FSC boards
- Reasonable minimum order volumes.
  - Full colour printing
  - Pantone matching
  - Hot foil, spot UV
- Embossing & debossing
- Existing Tools available

Corrugated boxes, also known as corrugated fiberboard boxes, are fully customizable to meet your specific requirements. We work with several mills in the UK and Europe to ensure every permutation of design and quality can be easily met. Some mills are great for smaller volume orders while others are geared for large runs. We have a range of tools on file that we can utilize to match your product dimensions, maximizing efficiency and cost-effectiveness. Our goal is to provide tailored solutions that meet your needs while helping you save money.

# SINGLE BOARD BOXES

- Eco-Friendly FSC options
- Recyclable
- Vegetable based inks
- Water based glue
- British made options
- A wide variety of boards
- Pantone or Full colour printing
- Hot foil, spot UV, lamination, embossing
- In house box CAD design & Digital samples

Our single board boxes are custom-made to meet your specific requirements. With access to carefully audited manufacturers worldwide, we offer a range of styles and finishes for a perfect fit. Our in-house sampling service can provide samples as large as a B1 sheet (1000x700mm) ensuring accurate visualisation of the final product. We also tailor internal fitments for secure and stylish presentation of your product within the branded packs.

## MEMBERSHIP SUBSCRIPTION BOX

Introducing our premium packaging solution designed exclusively for distillery subscription boxes. With our customisable options, you can showcase your brand identity and create a memorable unboxing experience. From luxurious gift boxes to bespoke inserts, our expert team collaborates closely with you to craft elegant packaging that optimizes the presentation. We pay meticulous attention to detail, selecting sustainable materials and employing precise printing techniques. Trust us to enhance your subscription experience and impress discerning spirits connoisseurs.

# CARDBOARD BOTTLE GIFT TUBES

## Cardboard Gift Tube

We are excited to introduce our Kraft paper cardboard tubes, an ideal packaging solution for your quality bottles. Crafted from durable and eco-friendly kraft paper, these tubes offer a premium yet eco appeal that aligns with your brand.
