*The Perfect Partnership*

## ECO-FRIENDLY TEA TOWELS AND FABRIC CARRIERS FOR RESALE

### TEA TOWELS

Made to measure tea towels with hang up loops, branded tabs & care labels. They are pre-washed to avoid shrinkage. Suitable for machine washing. Supplied ready for resale. Minimum order 1000 but this can be split over 4 designs. Usual lead time 4-6 months.

### JUCO and JUTE BAGS

We just love a Juco carrier! The perfect balance between the refined surface of cotton and the rustic look of jute. A great fabric for intricate designs. Jute also known as hessian can be equally as charming and is loved by farm shops. Both materials are equally as easy to supply. Minimum order 1000 bags. Lead time varies between 4-6 months.

Made to order in our SEDEX accredited Indian mill, adhering to the highest moral and ethical sourcing practices. Pantone matched dyed organic cotton tea towels. Juco and Canvas designer carrier bags with superb return on investment revenue.

### CANVAS AND COTTON BAGS

ESC Packaging Ltd can dye to any colour, brand up to 10 ink colours or digitally print a full colour photograph directly onto our client's carrier bags which can be one of 8 grades of canvas and any size desired. We offer a wide choice of handle styles. Minimum order is 1000 bags. Lead time varies between 4-6 months.

## TWISTED STRING HANDLE PAPER CARRIERS

- Eco-Friendly FSC options
- Recyclable
- Vegetable based inks
- Water based glue
- British made options
- A wide variety of sizes and gsm options
- Full colour printing
- Coloured handles to coordinate with design
- 3D mock up PDF & in-house design

ESC Packaging Ltd currently work with 8 manufacturers globally for this product. From Great Britain to India, Europe & the Far East.

Each factory has been carefully audited to the highest standards. Most have SEDEX accreditation or the equivalent which marries with our own ethical sourcing policies. All have FSC mixed or evidenced sustainable forestry paper sourcing. We take our duty of care seriously.

As these bags are always made to order, the sizes, grades of paper, colours, handles, design and delivery timescales are personalised to each individual client's requirements. Lead times start at 4 weeks to 20 weeks maximum.

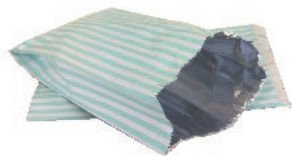

We do not have a price list for this reason. It would be our pleasure to prepare a personalised quotation for your requirements, it is our preferred way of working to ensure every single aspect of your order meets your demands.

## SOS PAPER BAGS, FOIL LINED BAGS, PAPER SACKS, FLAT PAPER BAGS

glued.

Foodgrade paper  
bags available  
in brown or white  
kraft. Glassine &  
Greaseproof paper.  
Sustainable paper  
sources.  
LowMOQs

We carefully audit our partner foodgrade paper bag factories to ensure they meet our criteria for supplying top quality, ethically made, BRC or equivalent accredited and sustainably sourced paper bags.

Although we do have European and Far East supply for these items, we're proud to say that

most of our paper bags are made here in the UK!

Most paper bag factories offer their own standard sizes. As we have 8 factories currently producing a wide variety of paper bags for our clients it's possible you will need to be flexible on the size and gsm of the products.

Typical MOQs start at 25000 per item although

we do have some options for those looking for a smaller order quantity. As these bags are viewed as low cost, cheap and cheerful bags, we flexo print using standard vegetable based pantone ink colours. Full colour and special finishings are not standard for these bags. Talk to us now about YOUR requirements!

## FOODGRADE GIFT BOXES FOR HAMPERS & PANETTONE

- Eco-Friendly FSC options
- Recyclable
- Vegetable based ink
- Flat packed
- Space saving storage
- British made options
- Made to order sizes
- Full colour printing
- Hot Foiling
- Spot UV & Embossing
- 3D mock up PDF & in-house design
- Chargeable gift boxes, creating a revenue stream for you!

Beautifully designed, made to measure flat packed gift boxes are a cost effective option for clients looking for a beautiful packaging solution for those hard to present bulky gift items.

ESC Packaging Ltd have 10 partner factories globally, including Great Britain, Europe and the Far East. No matter what the brief we're confident we will have a factory ready to produce your perfect box!

This product is CAD designed in-house and we can supply unbranded tailor made samples within hours if needed. All artwork and design is prepared in our HQ in Inverkeithing, Fife.

This product is made using vegetable based inks and constructed with 300gsm or 400gsm foodgrade card. We can laminate, spot UV, emboss, hot foil and finish with gift tags and ribbons... Its all possible.

Made to order 0427 style mailing boxes  
Produced using FSC accredited board and vegetable based pantone matched inks for a truly Eco-Friendly solution. Quick delivery & reasonable minimum order volumes.

## CORRUGATED MAIL ORDER AND HAMPER BOXES

When gorgeous branding meets functionality WOW packaging is created.

ESC Packaging Ltd CAD design onsite any FEFCO style of cardboard carton. and we're able to supply almost any flute, grade of board, pantone or CMYK printed both inside and outside.

We work with 6 mills in the UK and Europe to ensure every permutation of design and quality can be easily met. Some mills are great for smaller volume orders while others are geared for large runs.

Every mill has been audited and complies with our strict sourcing policies giving our clients that extra peace of mind. Most suppliers use FSC papers and vegetable based inks. We can also hot foil, emboss, laminate and finish these boxes with gift cards and ribbon for an upmarket solution or we're equally able to supply simple quality mailing boxes. There are standard tools available within our library of most FEFCO styles but we can tailor sizes to suit our client's needs too.

## FOOD TAKEAWAY CORRUGATED BOXES

Corrugated boxes are a popular choice for many food takeaways. Remember these are not direct food contact safe so always use a foodgrade liner inside which we can also supply!

- **Eco-Friendly FSC boards**
- **Vegetable based inks**
- **British made options**
- **100s of stock cutters or bespoke sizes**
- **Full colour printing**
- **Litho and Flexo options**
- **3D mock up PDF & in-house design**

ESC Packaging Ltd currently work with 7 manufacturers globally for this product. Mostly from Great Britain due to their volume. All have been meticulously audited to match our ethical sourcing policy.

Each factory has a wide range of cutters and we own 100s of tools in 0426 and 0427 styles so there's a strong likelihood you would be able to avoid paying for tooling by ordering via us.

We can supply full colour digital, litho or flexo printed boxes. Your artwork will determine which process we use.

Lead times start at 10 - 14 days upto 8 weeks, depending on your individual requirements. These boxes are made to order, the sizes, grades of board, colours, FEFCO styles and delivery timescales are personalised to each job. We do not have a price list for this reason but we'd love to prepare a personalised quotation for you.

## FOODGRADE PRESENTATION BOXES WITH WINDOWS

ESC Packaging Ltd has a strong client base for our acetate window gift quality boxes. Supplying Lina Stores their 6 pasta boxes in 2 sizes.

Sourced from our fully audited European partner factory. The lead time is between 5 weeks and 9 weeks from confirmed order and artwork.

This product is CAD designed in-house by ESC Packaging. To create the perfect fit we will require your product to measure & trial. You'll receive unbranded boxes from our sample table to check before we artwork. Allow 2 weeks for this stage.

Made using vegetable based inks and constructed with 300gsm or 400gsm foodgrade card. With a water based varnish we can control the matte or shine while retaining the recyclability of the card (remove the acetate window).

Let us create you a beautiful box to display your products & increase sales!

## FOODGRADE GREASEPROOF AND TISSUE PAPER

- **Eco-Friendly FSC options**
- **Recyclable**
- **Vegetable based inks**
- **British made options**
- **Made to order sizes**
- **Full colour printing & pantone matching**
- **Free Artwork**
- **Low cost sample production**
- **Fast 7-14 day delivery option or Standard 6-8 week delivery**
- **Low minimum order**

Simply elegant and very reasonably priced, tissue paper is a low budget way ESC Packaging Ltd clients enhance their overall WOW factor without spending too much.

We offer litho printing on both greaseproof and tissue paper which allows tonal images, very detailed designs and placement prints. Larger volumes tend to be flexo printed where the design allows..

ESC Packaging Ltd have 7 partner factories globally, including Great Britain, Europe and the Far East. Each has been carefully selected and audited.

This product is usually made using vegetable based inks. We have many 100% recycled and FSC accredited papers. Our greaseproof is certified food contact safe. We do have a price list for standard sheet sizes but we excel at the more unusual sizes and requirements.

## ECO-FRIENDLY GIFT WRAP PAPER SHEETS

- **Eco-Friendly FSC options**
- **Recyclable**
- **Vegetable based inks**
- **British made options**
- **Made to order sizes**
- **Full colour printing & pantone matching Hot foiling & Spot UV**
- **1 or 2 side printing**
- **Free Artwork**
- **Fast 7-14 day delivery for most designs**
- **250 sheets minimum**

We offer a wide choice of paper substrates and work closely with our FSC accredited factories to bring a full range of paper gift wrapping solutions to our clients.

Papers include brown kraft, white uncoated offset, gloss, matt or silk coated papers in a wide range of paper grades from 40gsm to 150gsm.

We can digitally output a proof sheet on our plotter so our clients can check for colour and positioning before mass production.

We have partner factories ready to make deluxe gift wrapping and paper sheets of all sizes, utilising high end finishes such as lamination, hot foiling, spot UV, pantone matching etc. We are also able to make matching gift tags and ribbon. We can even collate and prepare retail shelf ready sets for our clients, complete with a header card & PLA cellophane bag.

Made to order, pantone matched finishing touches help gel our client's brand across all areas of their business, from shelf display to mail order packing, every piece of the packaging jigsaw is meticulously pieced together with care.

12oz, 16oz, 20oz

A choice of sip lids in black or  
white

Low minimum order of just  
1000

British made

## ECO RECYCLABLE AND COMPOSTABLE PAPER CUPS WITH LIDS

ESC Packaging Ltd offer a wide  
range of standard and Eco paper  
takeaway cups printed with either  
pantone or digital designs.

We work with 2 British mills and also European and Far East suppliers  
to cover all order sizes and ensure the very best pricing for our clients.  
The cups come in standard sizes, including 4oz, 8oz, 12oz, 16oz and 20oz, The  
sip lids neatly fit the cups to ensure spills and burns are unlikely.  
Its important the lids are bought at the same time as the cups, we cannot  
guarantee a tight fit otherwise.

Standard lead times depend on the quantity and size ordered.  
Delivery can take between 3 weeks and 8 weeks for British supply and  
16 to 20 weeks for Far East manufacture.

**We look after  
everything from  
Start to Finish ...**
